ROGER BERLINER
COUNCIL VICE PRESIDENT

CHAIR, TRANSPORTATION, INFRASTRUCTURE,
ENERGY AND ENVIRONMENT COMMITTEE

June 20, 2011

Office of Councilmember Mary M. Cheh
John A. Wilson Building
1350 Pennsylvania Avenue NW, Suite 108
Washington, DC 20004

Dear Councilmember Cheh:

Earlier this month, I received a letter from Mr. Charlie Scott of WMATA indicating that the E6 bus route (Chevy Chase Line) was no longer being considered for elimination, and that its funding had been restored in the budget. This was welcome news to the residents of Chevy Chase who rely on the E6 for access to downtown Chevy Chase and the Metrorail system.

I would like to thank you for your leadership in advocating for preserving this service. As you know, this was an important issue for my constituents as well as yours. I know the residents of Chevy Chase are equally grateful as your constituents in Ward 3 must be.

I hope we can continue to work closely together on mutually relevant issues in the future. Please contact my office if my staff or I can assist you in any way.

Sincerely,

Roger Berliner
